moving forward. The most important things that this position taught me were business etiquette, team synchronization and learning software on the fly.

EXPERIENCE

Community Donation Center Ambassador Value Village

April - August 2021

- The purpose of this position is to receive on site donations according to company procedures and in a manner that positively represents the nonprofit partnership. The most important things that this position taught me was site organization, effective time prioritization and how to actively stay on task while servicing customers.

Housing Painting Associate University First Class Painter

May - August 2020

- Majorly painting the interior and exterior of houses with some administrative tasks and customer satisfaction. My greatest takeaways from this position were work ethic, problem solving and being able to follow directions quickly and efficiently.

Senior Counselor Big Cove YMCA

June - August 2019

- Senior Camp Counselor at YMCA Big Cove Camp. Responsibilities included providing youth ages 6-15 with a fun, educational, safe camp experience. Program organization, planning and teaching, leading a variety of activities and camping out-trips. As well as teaching junior staff members the interworking of the camp.
